## Important Announcement.

To more fully cover the mining field  
of this county and the country contiguous  
thereto the MINER will hereafter be pub-  
lished simultaneously at Kingman and  
Needles.

Ex-Gov. Glick, of Kansas says  
that Bryan will carry that state by  
40,000 majority and that not the  
slightest doubt of Bryan's election  
exists.

Kean St. Charles says that Mark  
Hanna's boodle caught only one  
Arizona populist. Nothing strange  
about that. Hanna's boodle caught  
the whole republican delegation.

It is expected that a free silver  
candidate will be put in the field  
by silver men who believe that in  
this way they can best subserve  
the cause of free coinage of silver.

McKinley, reciprocity, and free  
silver by international agreement,  
whenever the interests of McKin-  
ley, Hanna and Rothschild de-  
mands it, is the rallying cry of  
Arizona republicans.

The Denver Republican, until  
the St. Louis convention, one of  
the strongest republican papers in  
the Rocky mountain region pre-  
dicts the election of Bryan and  
gives facts and figures to back up  
its prediction.

The Los Angeles Herald now  
declares itself an exponent of the  
free coinage of silver and advocates  
the election of Bryan and Sewall.  
Had the Herald changed its base  
three months ago it could have in-  
creased its subscription list by  
thousands in Arizona alone.

From all sections of Arizona and  
Southern California come reports  
of the curtailment of the circula-  
tion of the Los Angeles Times,  
McKinley's rat organ in the Angel  
City. If the thing keeps up the  
only subscribers the Col. can count  
on will be the ward strikers and  
bank presidents.

The republican delegates to the  
St. Louis convention explain the  
reason why they did not bolt when  
the Teller forces went out by say-  
ing, "We have no vote for presi-  
dent and would ruin our chances  
for appointive offices by bolting."  
Pie is mighty and will prevail.

The San Francisco Examiner is  
doing yeoman service for Bryan  
and Sewall on the Pacific coast.  
It has its republican contemporaries  
on the hip and will make monkeys  
of them before the campaign is over.  
We are glad to note its increased  
circulation in Arizona. Tell your  
neighbor it is good and push it  
along.

Democratic candidates for dele-  
gate to congress are as numerous as  
McKinley's pie biters. Judge Haw-  
kins, W. A. Rows, Mark Smith,  
Tom Smith, W. H. Burbage, E. J.  
Edwards, W. H. Barnes, Gov.  
Franklin and many others are in  
the race. Many of these gentlemen,  
if nominated, would poll the full  
strength of the democratic party.  
In the south much opposition is  
shown to the candidacy of Mark  
Smith by the Barnes and Hughes  
element of the party and it may de-  
feat that gentleman's aspirations.

E. Ellery Anderson, a broker of  
Wall street, declares that the dem-  
ocratic convention was made up of  
anarchists and that his desire was  
that they display the red flag to  
give pretext for shooting them  
down. This is a revision of Har-  
rison's bullets and bayonets for the  
workingman. Anarchists are found  
in high places.

We call the attention of demo-  
crats of this county to the candi-  
dacy of W. E. Frost for the office  
of sheriff. Mr. Frost is known by  
every man, woman and child from  
the Utah line to Yuma county and  
from Yavapai to California and it  
is unnecessary for us to point out  
his qualifications for the office. He  
will make his opponents "hard to  
catch."

For delegate to congress from  
Arizona the MINER would respect-  
fully call the attention of our peo-  
ple to E. E. Ellinwood, one of the  
brightest and brainiest young men  
in the territory. Mr. Ellinwood is  
an earnest advocate of silver and  
stands closer to the great common  
people than any other man men-  
tioned for the position. He would  
be all right on the democratic or  
free silver ticket.

The Phenix Herald says it can-  
not see how free coinage is going to  
help out the cause of silver. Of  
course not! Editor Morford wears  
a pair of Mark Hanna's gold glasses,  
warranted not to shrink nor fade.  
A few months ago Mr. Morford was  
making strenuous efforts to impress  
upon his readers the beauty and  
utility of a bimetallic system. Does  
Mr. Morford know what the mean-  
ing of bimetalism is? We do not  
believe he does.

Mohave county populists are for  
Bryan and Sewall. To make their  
action effective we would suggest  
that each one unite with democrats  
and republicans to collect a purse  
to defray expense of sending speak-  
ers into the doubtful states during  
the campaign. Few there are so  
poor who cannot give one dollar for  
this purpose. Organize in every  
precinct in the county and send a  
solicitor out. Now is the time to  
get to work. Let us be brothers  
in the cause for American freedom.

To show how Mr. Bryan stood  
some time ago on the question of  
free coinage of silver we quote him  
as saying at Jackson, Mississippi,  
that if the democratic national con-  
vention declared for gold, "So help  
me God I will die in my tracks be-  
fore I will support it." He fought  
the fight and won. He is the same  
man to-day that he was then. He  
is fighting for the emancipation of  
the American people. Let us con-  
tribute our mite to aid him in the  
great struggle.

The Star is looking in the repub-  
lican camp for a suitable candidate  
for congress and professes to have  
found him in the person of Col.  
Tom. Fitch, he of the silver tongue  
and golden heart. The Star might  
turn its attention to better purpose  
in patching up the bleeding wound  
in the democracy of Southern Ariz-  
ona. We know that Col. Tom is  
an orator of no mean ability, but  
this year we can get along very  
nicely without orators of the Mc-  
Kinley-free-silver stripe. Col. Tom  
can await the arrival of the large  
McKinley pie that is soon to bring  
colic and comfort to the faithful of  
Arizona.
